KEVI LSG App

Many thanks to the high number of parents who have downloaded the KEVI LSG app, however there are still a number of parents who have not accessed their accounts. The

KEVI LSG app will allow parents to access a wealth of information about their child including positive behaviour events, timetables, letters, reports (as they are made available later this term) and attendance information.

Parents can also receive letters, access the school calendar and report students absences via the app.

If parents are having any difficulties the company that operate the app have a help line specifically for parents. Details can be found on the following website:

<https://www.reachmoreparents.com/contact-us>

Nuts

Just a reminder that due to several students having an allergy to nuts, we do not permit students to bring or consume any products that contain nuts whilst on school grounds.

Communication with school

If you ever have any concerns relating to your child we encourage parents to contact the school - even if it is just to make us aware. The best way to do this (if the situation isn't urgent) is to email the school office. The email address is office@lsg.kevibham.org

We do ask parents not to email staff directly, this is because external emails will often go to spam boxes and we want to ensure that emails are not missed.

If something is urgent please phone the office between the hours of 8am-4pm.

Due to the busy nature of a school, we are unable to accommodate meeting requests that have not been arranged in advance.

The home school communication policy can be found on the school website:

<https://lsg.kevibham.org/wp-content/uploads/2023/07/11.-Home-School-Communication-Policy.docx.pdf>

Flu Vaccination

Over the next few days your child will come home with a Flu Vaccination consent form. Can you please ensure these are returned to school with a do or do not consent response by Thursday 21st September.

We apologise for the short deadline, the vaccinations will take place on Wednesday 11th October.

Quizlet logins for French and Spanish

Please be reminded that students in KS3 and KS4 in French and Spanish are expected to create their Quizlet logins and start revising their vocabulary online for homework.

New Careers Bulletin

Students in Year 10 - Year 13 will be emailed a fortnightly bulletin relating to careers. To view please click on the link below.
