15th September 2023

Dear Parent/Carer,

GCSE intervention

I am delighted to be able to write to you with details of after school intervention that I believe can support your son/daughter in their GCSE mathematics.

Details of **the intervention** that we are able to offer post 16 mathematics students is below,

Every Tuesday from 19/09/2023, 3.00 pm until 4.00pm in room SF6.

Examination dates are:

Wednesday 8th November – paper 1

Friday 10th November – paper 2

Monday 13th November – paper 3.

The initial focus will be reviewing topics based on the areas for improvement from the most recent examination. I would like to point out that these sessions are very important and your child is expected to attend. In previous years, the majority of those that have attended regularly have gone onto improve upon their score from the June examination.

Thank you for your continuing support for your son/daughter at this key time, and if you have any concerns, please contact me.

Pease return the reply slip at the bottom of this letter as soon as possible.

Yours sincerely,

Mr J. Kler
Key Stage 5 Coordinator of Mathematics

Name

Review group

My son/daughter will be attending the sessions after school Tuesdays.
