Important letters around safeguarding

This week Laura Betty, Lead DSL, has sent two letters out which require your attention. One is about Social Media and Physical Altercations and the other is information from the National Crime Agency about Sextortion online. Please read them if you haven't already.

We are urging parents to ensure that they monitor their child's phone and online use to help keep them safe.

The letters contain useful information as to how you can monitor their use.

Year 10 Parent Survey - Your views required! - REMINDER

We would like to gather the views of **Year 10 parents and carers** on a range of school related areas to help us ensure we are providing the best provision for our students.

We would appreciate you taking the time to fill in a short survey at your earliest convenience.

Please [click here](#) to complete the survey.

Thank you to all those parents who have already provided feedback. Your views are very important to us.

Canteen Provision - Student Accounts

Dear Parents/Carers,

Please can you ensure that student food accounts are in credit.

Our catering provider's have advised that if a student's account falls into debit the student will only be able to be offered a sandwich until the account is back in credit.

If you are having financial difficulties or have an issue topping up your student's dinner account please contact Mrs Coggins, Finance and Business Support Co-ordinator.

Many Thanks

Deborah Dodd
Support Services Manager

Uniform donations

As we are approaching the end of the School year, can we kindly ask that you consider donating any uniform that no longer fits to the school. As a school we try to keep a small supply of uniform to support students who have forgotten items or are struggling to afford uniform. Items that are very useful include: skirts, shirts, trousers, blazers, PE (with KEVI logo) and ties.

Personalised Exam Timetables

Year 11 and Year 13 students received their examination timetables in their registers last week, if they have lost or misplaced their copy please come to 006 and request a new one to be printed. Here is a copy of the examinations instructions and information booklet for students and parents. Please make sure that you have read through this prior to starting your written examinations.

Year 11 study timetable Thursday 9th May- Friday 24th May 2024

To support students during the examination period, there will be timetabled lessons prior to the exam. The timetable shows when these will take place. Where courses have been completed, revision material should be taken to the lesson, so that independent work can be completed.
