Educational excellence for our City

7th May 2024

Dear Parents/Carers

I am writing to inform you that our school, King Edward VI Lordswood School for Girls, will be inspected by Ofsted during the next two days.

Since our last inspection we have made many improvements to the school around areas including, curriculum, assessment, careers, PSHCE, enrichment and SEND support. As a result of these changes, parental and student feedback has shown increased levels of satisfaction with the provision offered by the school.

We believe we are a good school that has fantastic outcomes from exceptional students. We know you will be keen to support us over the next two days so Ofsted can see how hard our students and teachers work. We ask that you be especially vigilant that students arrive at school on time, with the correct equipment, wearing the correct uniform and having completed all homework set.

I am including the letter from Ofsted which contains a link to parent view - this is the official 'Ofsted survey' for parents. It contains the same questions that we ask parents to answer each term. We would appreciate it if as many parents as possible could complete this survey so they have a good basis on which to base their conclusions. The deadline for completing the questionnaire is 3pm tomorrow.

Many thanks in advance for your continued support,

Mrs. K. A. Cooney
Headteacher

Together, we thrive and add value to the world
BE READY  **BE RESPECTFUL**  **BE RESILIENT**
