

KING EDWARD VI FOUNDATION PROMISE

HIGH QUALITY TEACHING

The schools of King Edward VI Foundation offer **good quality teaching**.

Staff are trained in a wide range of **research led approaches** and encouraged in continual development.

Staff are trained in **safeguarding procedures**; SEND and EDI, to ensure the inclusivity of our curriculum.

Our schools are encouraged to provide **academic monitoring** for all our pupils and provide research led targeted support when difficulties arise.

Support is delivered from the Foundation on a needs basis. Trust wide personalised CPD available.

TARGETED ACADEMIC SUPPORT

Research led interventions and support provided where required.

Measurable impact.

Trust approved interventions available.

WIDER STRATEGIES

Each of our schools has dedicated staff to **support with the wider issues** that can affect our families.

EDI advocates in each school.

Well-being intervention/support encouraged within our schools.

Dedicated staff knowing the **needs of our pupils**.

Wider support available for families.

Targeted careers support.

Support to access materials such as revision guides and internet access.

Across the trust access to events/ideas/material.
