School Photographs

Your child has had their professional photos taken on Friday 20th September 2024. All students will bring home a card with a QR code that you can scan if you wish to purchase pictures directly from the photography company. Please allow 24 hours for the photos to be uploaded

Attendance

Whilst we encourage parents to send their children to school as often as possible, there will be times when students are really too unwell to attend. If this is the case we ask that parents notify the school via the study bugs app.

Top 3 reasons to use Studybugs

1. It's integrated with our systems so we know right away if your child is unaccounted for.
2. It's quick and easy to register and use and automatically reminds you to keep us posted.
3. You'll be helping the NHS and other public health organisations improve children's health. (<https://studybugs.com/about/schools>)

Get the app or register now so you are already registered if the need to report an absence arises (<https://studybugs.com/about/parents>)

France Trip

Just a reminder that the first installment for the France trip is due by 27th September. All payments should be made via the KEVI app.
