## KEVI LSG app - Forms Disappearing

We have had some great feedback from parents asking, why are the forms disappearing once the form has been completed?

I have spoken to the provider and they have advised me the following:

When completing the form, the form automatically goes into a folder called '**Submitted Forms**' which will be located under your child's name in '**Forms**'. Please see the below picture for reference

Thank you for this feedback, this really helps us make sure everything is running as smoothly as it should and it also helps us help parents who may not know where to find relevant information.

Your feedback is always appreciated.

## Talking point:

To encourage good oracy, we have asked that parents and teachers discuss one 'big question' with you each week.

Please can you therefore have a think about how you would answer the following question if someone posed it to you.

The topic of this week's talking point is: Tough Topics

The question prompt for this week is: What do you think is the most challenging part about getting older?
