Educational excellence for our City

Dear Parent / Carer,

The school is very pleased to be able to invite your daughter to participate in a three day 'Action Plus' residential at the Pioneer Centre in Shropshire. The Edgbaston Rotary club has kindly fully funded the cost of the residential.

The Action Plus residential involves adventure activities such as abseiling, raft building and team building pursuits. The school is taking fifteen students from year 7 and 8 and they will be accompanied by two members of staff. Transport to and from the Pioneer Centre will be by coach, departing school at 10:30am on Monday 3rd March 2025 and returning by 3:00 pm on Wednesday 5th March 2025.

The students and staff will have their own on-site, ensuite accommodation block and meals will be provided at the centre. If you would like to find out further information about the centre, I have included a link to their website: <https://activity-centres.naycacuk.co.uk/pioneer-centre/>.

Students invited to take part in this activity have been selected as they have displayed a positive approach to all parts of their school studies. If you give permission for your daughter to take part in what promises to be an exciting and rewarding opportunity, could you please complete the consent slip below and the medical consent form attached. This form needs to be returned by the end of Friday 17th January, otherwise the place will be offered to someone else.

Once students have had their places confirmed on the trip I will send out further details including the itinerary, kit list. Student mobile phone guidelines for the trip and a dietary requirements form. If you would like any further information prior to completing this consent form please get in touch.

Yours sincerely

Mrs J.Hughes
Director for Raising Achievement.
Please return to Mrs Hughes in 006

'Action Plus' residential at the Pioneer Centre
