Friday 20th June 2025	Year 7 PE Trip to Blackwell Court Year 9 Exam Week Year 10 Work Experience Week

Exciting news!

I am delighted to share the news that we have finally raised enough money to purchase a new minibus for the school.

I would like to thank all the parents who have donated to the minibus fund. I would also like to thank all the teachers and students who have organised such lovely activities this year to help raise the much needed funds to allow this to happen.

Slightly worried that one student instantly asked what we would be raising money for next year!

Kitchen upgrade

Over the summer, we are hoping to have a new kitchen fitted so Nigel and his team can continue to supply the high quality catering that students deserve.

In order to achieve this, the current kitchen will be closed during the final two weeks of term. Don't worry - we have plans in place to still provide food each day. It just might be a

slightly different offer to what we normally have in place as it will be prepared in a neighbouring school.

Unfortunately during these two weeks - we will not have the facility for students to load cash on to their cards. We therefore recommend that you help your parents in ensuring that they know how to load money on to student accounts via parent pay prior to the cash loaders being removed.

Year 9 - End of Year Examination Timetable - June 2025

Dear Parents/Guardians of Year 9 Students,

We would like to inform you that the Year 9 End of Year Examinations will take place during the week commencing Monday, 16th June.

Here are some quick reminders of how your child should behave in their examinations:

- Be ready by being equipped - Making sure they come to the examinations with all the equipment that they require which includes black pens, pencils, rulers and calculators.
- Be ready to start - Making sure they arrive to their lessons on time so that we can get them sat down and ready to start the exam punctually.
- Be respectful and silent - Making sure they are silent from the point they enter the examination hall or classroom until they have left the room after their examination.
- Be respectful to their environment by sitting in the correct seat - Making sure they are sitting in the correct seat for that classroom that they are having the examination in, or they are following the instructions given to them by the invigilators as to where they should be sitting.
- Be resilient by trying their best - Their best is the most they can say they have given. Leave every exam being able to say to themselves (I tried my hardest in that and gave it my all).

Regards
Mr Fox

Reminder: Year 10 Work Experience – 16th – 20th June

We are excited for our Year 10 students as they embark on their work experience placements next week, from Monday 16th to Friday 20th June. We wish them all the very best as they take this important step into the world of work!

Key Reminders for Parents:

- Please ensure your child arrives on time to their placement on Monday morning.
- If your child is unable to attend on any day, it is essential that you report their absence on Studybugs and also inform the placement provider directly.
- Over the weekend, please take time to support your child in planning their journey to and from their placement.
- All students have been advised to bring a packed lunch on Monday and to dress smartly to make a positive first impression.

Each student has received:

- A confirmation sheet with their placement details (given out on Thursday).
- A Work Experience Journal, which they should take with them each day. This will serve as a personal record and valuable evidence of their experience.

We're proud of our Year 10s and look forward to hearing all about their placements on their return.

Good luck, Year 10! We'll see you back in school on Monday 23rd June.

Kind regards,

Mrs McNerney

Year 11 Lockers - Removal of personal belongings

Dear Year 11 Parent/Carers,

If your daughter currently has a locker, please could you ask them to remove all of their belongings from their lockers by Friday 20th June 2025. We will be checking all lockers at the end of the academic year, anything left behind will be discarded.

Thank you for your support with this.

Lockers

We are aware that by this point we would have normally sent out communication regarding lockers for next year. We haven't done so because we are in the process of changing locker providers. Therefore please do not order lockers for next year until we send out further communication regarding this.

PE Parent Forum – Feedback

Thank you to all who completed our recent PE Parent Forum Survey. We were pleased to hear that many students are enjoying their PE lessons—particularly team sports, individual activities, and competitive games. However, a few parents highlighted concerns such as limited activity choices and indoor space constraints.

A number of you expressed interest in seeing more focus on mental well-being, lifelong fitness, and nutrition within the curriculum. We're currently exploring ways to embed these themes more meaningfully into lessons. There was also encouraging interest in future community-based events such as fun runs or parent-child sports days, which we hope to develop next year.

Thank you again for your valuable feedback—it plays a key role in shaping the future of PE at our school.

Thanks
Emma
