Lovely week

Last week I had the pleasure of showing the Headteacher of Chad Vale Primary around Lordswood, it was so lovely to see all his ex-students (and some that hadn't attended Chad Vale) waving at him and making him feel so welcome. He was extremely complimentary

about the welcome he was given, tidiness of the school grounds and the caring relationships between staff and students. In return I had the lovely opportunity to visit one of our feeder schools - 'Our Lady of Fatima Catholic Primary School' to see the great work that is happening in the local primary schools.

What did stand out was their lovely outdoor space, it is so lovely seeing students playing and enjoying the sunshine. We are working hard to try and improve our outdoor space for students and it is always useful to see what other schools are offering.

This week a load of new play equipment was delivered; including new bats, balls, hockey sticks, jenga and 2 x large connect 4 games. It has been lovely seeing them all playing so nicely with each other.

We are also in the process of purchasing some additional outdoor seating for the playground based on feedback from students. Hopefully this will further enhance their social time.

Talking point:

To encourage good oracy, we ask that parents and students discuss a different 'big question' each week. This does not have to be done during a dedicated discussion time, it could be whilst doing any daily activity e.g. driving somewhere, eating dinner, shopping.

The topic of this week's talking point is: Goal Setting

The question prompt for this week is: What's something you think you will always value?
