	World Book day Careers advisor in school
Friday 7th March 2025	Year 11 & 13 2nd Mocks British Science Week

Absence

In September you may remember that I had the first of two knee operations to repair some damage to my knees. The first operation was very successful and now that I have fully recovered from the first operation, they want to get my second operation completed. I will therefore be absent from school for a short period of time starting on Friday 28th February whilst I recover.

Mrs Adamson and Mrs Betty will be acting headteachers in my absence.

Thankyou in advance for your continued support

Mrs Cooney

KEVI LSG payments

We will soon be changing our payments provider within the ReachMoreParents app. This a forced change due to our existing payment provider ceasing operations on 14th March 2025.

Rest assured, we are transitioning to a new payment provider to minimise disruption to payments for clubs, trips, meals, and other school activities.

For now, please continue using the current system as normal via the ReachMoreParents app. We will update you on the next steps, including how to sign up for the new service once we have more information to share.

Dear Parents,

We would like to inform you of a few important updates regarding your daughter's upcoming trip to France.

1. **Departure and Return Time Change:** The meeting time at school has been updated to **4:00 AM** on Friday 7th March. We will leave school promptly at **4:30 AM**. The return time has also changed to **7:30 PM on Sunday 9th March**.

-
2. **Passport and EHIC Card:** If you have not already done so, please ensure that your daughter's passport and EHIC card are handed in to us as soon as possible.
 3. **Medication:** If your daughter requires medication, please provide it in a clearly labeled bag before the trip. Students will not be allowed to carry paracetamol, ibuprofen, or travel sickness tablets with them. If necessary and with prior authorisation, we will administer any required medication.

Thank you for your attention to these important details. Ms Carriere.

Wider Personal Development Opportunities in February 2025

February has been an exciting month filled with a range of enriching experiences! Year 11 Drama students enjoyed a captivating performance of "Pride and Prejudice" at the Hippodrome theater. Students in the EDI student committee went to the Afro-Caribbean Society Conference, hosted by the Kings Edwards VI School in Edgbaston. Students listened to a variety of eminent speakers which fostered cultural understanding and personal development. The Maths department held an engaging in-house event for Year 12 mathematicians, and Year 12 Geography students embarked on an insightful field trip to Longbridge. Art & Photography students from KS4 and 5 were inspired by their visit to the Tate and Walker Gallery in Liverpool. Students who belong to the Philosothon club, delved into deep philosophical discussions with other students from the Kings Edwards VI Trust during lively debate.

It's been a month full of learning, creativity, and growth!

Parent Voice - Opportunity.

If your child is in KS3 (Year 7, Year 8 or Year 9) please engage in this opportunity to share your thoughts and ideas. Via this survey, you can express your views and give feedback about your child's RE experience at KEVI Lordswood School for Girls. This survey is anonymous and will be used for quality assurance and developing the subject and its delivery. Any further questions, please email c.delaney@lsg.kevibham.org

This information will also be published on the school website shortly.

Cake Sale

8W hosted an incredible Cake Sale to raise funds for our new minibus, and it was a huge success making a whopping £108.80 With so many delicious treats to choose from, the whole school came together to show their support and helped us sell out!! Huge thanks to everyone who bought a cake – you’ve made a big difference! Well done, 8W!

Talking point:

To encourage good oracy, we ask that parents and students discuss a different ‘big question’ each week. This does not have to be done during a dedicated discussion time, it could be whilst doing any daily activity e.g. driving somewhere, eating dinner, shopping.

The topic of this week's talking point is: Self care

The question prompt for this week is: If you had an entirely free day, what would you do?
