October 2025

Dear Parent(s)/Guardian(s)

Re: Year 10 Work Experience Programme 2026

This academic year all Year 10 pupils will be participating in the school's work experience programme. As part of the work-related learning curriculum, work experience is an entitlement for students.

King Edward VI Lordwood School for Girls will be partnering with 'Learn to Work' Limited to help organise and deliver work experience and this academic year's programme for Year 10 students will run from **Monday 15 to Friday 19 June 2026**.

The benefits for our students in searching for and engaging in effective work experience are significant and we are keen that Year 10 students have the opportunity to confirm their own placement with an employer, whether that is through a family contact or their own search.

Your daughter should have brought her work experience paperwork home following the 'launch' assembly in school. Further information for parents and students will follow later this year or early in January.

In the meantime, however, should you require advice or information regarding work experience, please do not hesitate to get in touch with me or any member of 'Learn to Work' on 0121 446 2781.

Yours faithfully

Mr A Marshall
'Learn to Work' Team Manager
