Thankyou

Thankyou to all parents and students for being so understanding regarding the school closure today. It is never an easy decision to make - we always want to leave the decision as late as possible in the hope that we can remain open, but at the same time understand the need to provide information as soon as possible so that arrangements can be made. The weather reports indicate that the school will be able to open on Monday so please send students in as normal unless we contact you otherwise.

The students have been amazing this week given the weather this week - even though I think I was asked 1000 times on Wednesday if I could close the school on Thursday!

I think a special thanks needs to go to the students and staff who made it into school today for some external year 13 examinations. It shows what committed staff and students we have at Lordswood that they walked from Lordswood Road in the snow to ensure that the exam could still take place. Well done everyone!

Over the Christmas break, the school moved its Management information system (MIS) from SIMs to Arbor. Hopefully you won't have noticed much difference. At the moment this change has simply meant that we now do our registers in a different system, but in the long run it will hopefully allow us to amalgamate all the different systems that we currently use (and you have to remember passwords for) into one centralised platform. Once we are happy that the system is working as effectively as possible, we will start to roll out some of the different features - including the parent app. Keep your eyes out for more information.

Sporting Success

Congratulations to the Senior Netball Team who won their last fixture against Edgbaston High School for Girls. They haven't lost a match all season and are now winners of Division 2! Amazing!

Extra Curricular Clubs - Spring Term 2026

Please find an overview of the extracurricular clubs and activities that are taking place in the Spring term 2026.

[Click here for extracurricular clubs](#)

This information will also be published on the school website shortly.

Mrs Finucane

Badminton Club

Badminton club will start on Thursday 15th January 2026, from 3:25 PM - 4:00 PM.

Instrumental lessons

All instrumental lessons will resume the week beginning 12th January. If you haven't yet paid for the spring term please do so as a matter of urgency.

There are spaces for paired clarinet, flute, trumpet and violin lessons. We would like to open these to Year 7.

There are spaces for the following instrumental lessons starting straight away.

1 x Brass

1 x Violin

3 x Woodwind

Students can opt to paired lessons to keep the cost down to £102.50 per term.

A trial lesson can be arranged.

Please email Mrs Swallow if your child is interested; s.swallow@lsg.kevibham.org.

Drama school production club

Tuesday after school drama club will recommence on 13th January. We will start preparing for the school production. There will be auditions as part of the club and the cast will be selected. If numbers are too great it may mean that you will not receive a role in the show so please bare this in mind.

Meet The CATs Drop in session - Spring Term.

South - Four Dwellings Secondary School B32 1RJ.
