This week...

Every Monday after school, the SLT (senior leadership team of the school) meet to discuss what is going well, what projects we are currently working on and what the next steps are to ensure continuous improvement. This week we spent some time looking at the results from the student survey. It was lovely to see that so many of our students are happy, value the opportunities provided and would recommend Lordswood to their friends and family. As always, we are constantly looking for ways to improve and we use these results to ensure that we are prioritising our efforts in the right direction.

On Tuesday we had a visit from Mrs Waddington, the Director for Education at the King Edward VI Academy Trust. As we walked around the school she was impressed with the calm atmosphere and the hard work being undertaken by the students. She didn't see one student who wasn't focused on their learning. I know that we have a lovely learning environment, but it is always nice to hear this acknowledged by external visitors to the school.

I am proud of every student that attends Lordswood and would like to thank you for continuing to support us as you do. We can only create such a positive environment with the support of our parents and carers.

Have a lovely weekend

Mrs Cooney

Fundraiser -Young minds - Non-Uniform day - Friday 13th February

A quick reminder that we'll be holding a non-uniform day to raise funds for Young Minds, a fantastic charity supporting children's and young people's mental health.

We'd love for students to come in wearing something bright, bold or simply their favourite comfy outfit, in return for a small donation of £1.

Donations can be made via the KEVI LSG app using Parent pay.

The ability to make a donation via the app will be open from Monday 9th February 2026 at 8:00am until Tuesday 17th February 2026.

Thank you for your continued support—your generosity helps us make a real difference for young people everywhere! 💛

Thank you for your support
