Instrument Lessons

If your child has instrumental lessons and wishes to continue in September it is important that you complete the form at the link below. Failure to do will mean that your child will not be able to continue lessons in September. If you have already filled in this form, please DO NOT complete it again.

Kind Regards

Mrs Swallow

Year 11 Leavers – Reuse & Recycling Initiative 🌱

As our Year 11 students prepare to leave, we are encouraging them to reuse and recycle as part of our commitment to sustainability and reducing waste.

Many school items no longer needed after exams can still have plenty of life left. We invite Year 11 students to donate these items so they can be reused rather than discarded.

We are collecting:

- Revision guides (current and usable)
- English Literature set texts (Macbeth, Jane Eyre, A Christmas Carol, An Inspector Calls)
- School uniform (clean and in good condition)
- Calculators
- School shoes, astro trainers (in good, wearable condition)

Please ensure:

- Items are **clean and in good working order**
- Uniform is **washed and presentable**
- Shoes are **paired and suitable for reuse**
- Items are not damaged or overly worn

How to contribute:

- Drop-off: Student reception, exam bins, Mrs Hughes in 006

Why take part?

This is a simple way for students to:

- Reduce waste and support sustainability
- Pass on useful items rather than throwing them away
- Leave a positive environmental legacy

Thank you for supporting this initiative.

Year 10 Work Experience (15–19 June)

Year 10 will be on Work Experience week commencing Monday 15 June.

If any student is absent during that week, their absence must be reported to school in the usual way, and the placement must be informed as soon as possible.

All students will have received their Work Experience Journal, which they must take with them each day.

All information for students, parents/carers and employers can be found in the Journal.

We wish Year 10 all the very best and hope they have an amazing week experiencing the world of work!

We look forward to welcoming students back into school on Monday 20th June.

Please let me know if you have any questions.

Many
Mrs McInerney

thanks,

Could you inspire our students about their future?

We are looking for parents and carers to support our Aspirations Day in July for students in Years 7-9.

The focus of the day is an interactive "Guess My Job" session, where students hear from a range of people about their careers and try to guess what they do based on a few clues. It's a fun and engaging way to open their eyes to the wide range of opportunities available to them.

We would love to hear from parents with all types of jobs and experiences. You might work in a role students have never heard of, or you may have taken a different or unexpected route into your career; these real-life stories are often the most powerful and inspiring.

You do not need to commit to the whole morning; even giving around an hour of your time would be greatly appreciated. There is no need to prepare anything formal; simply sharing your experience can make a real difference.

If you are interested in getting involved, please contact Mrs McInerney:
r.mcinerney@lsg.kevibham.org

Thank you for your continued support.

Mrs McInerney

Childline Mental Health First Aid kit

Mental health first aid kits are resources to help young people manage their mental health, providing them with tools and techniques to distract, relax or calm down. The Childline website has resources to share with young people to help them build their first aid kit.
