Post 16 Preparation Events Autumn Term

Dear Parent/Carer

To help your child prepare for their final examinations and make informed choices about their post 16 options, we have a number of events taking place this half term.

Post 16 Preparation Evening
Wednesday 21st October, 2026. 5pm - 6pm.
This event will introduce parents to the possible post 16 options available for your child including sixth form, apprenticeships and training programmes. This will also be an opportunity to find out more about the summer examination procedures.
This event will be held in our school hall, and you are welcome to bring your child with you. However, due to limited space, we would request that only parents attend the evening with their child, and that no other siblings are brought into school for the event.

Parents can access the school hall through the Knightlow Road entrance, but there will be no parking on site. Parents can park in the surrounding area and enter through the Knightlow Road pedestrian gate.

To support your child with their studies, we will be providing them with stationery to ensure they are equipped for their upcoming examinations.

King Edward VI Lordswood School for Girls' Sixth Form Open Evening
Wednesday 18th November, 2026. 5pm - 7pm
We are delighted that our own sixth form is the most popular choice for our year 11 students. The annual open evening is an excellent opportunity for you and your child to find out more about what our sixth form has to offer. The event will take place in the sixth form block. Staff and students from the sixth form will be available to share information about the courses on offer, the non-qualification/enrichment provision and the academic and pastoral support.

Post 16 Taster Day
Thursday 19th November 2026.
Following the sixth form open evening, year 11 students will have the opportunity to be a sixth former for the day. Students will spend the day in the sixth form block and will be able to wear their own clothes in line with the sixth form dress code. During the day they will take taster lessons in post 16 subjects of their choice.
